**Location:**  
Oro-Medonte, Ontario

**Duration:**  
3 days

Boots and Hearts is the largest country music festival of its kind in Canada.

**Website:**  
<http://bootsandhearts.com>

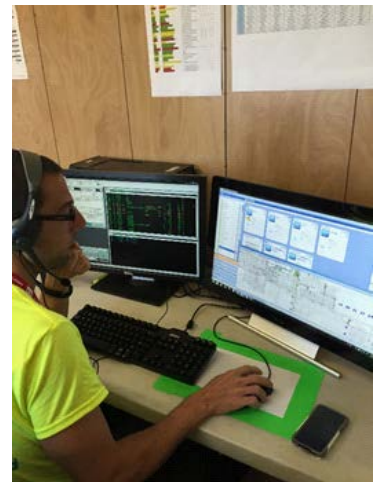

**Location:**  
Oro-Medonte, Ontario

**Duration:**  
4 days

TRBOnet was proud to offer its solutions to 2 large music festivals in Canada in summer 2015. Our partner – Connect Public Safety – together with Odyssey Medical provided on site medical coverage for WayHome Music Festival and Boots and Hearts Music Festival.

“TRBOnet was used to dispatch medical resources at both festivals. TRBOnet was useful with knowing users were online, where they were with the use of GPS, text messaging sensitive information that couldn't be said verbally, patching channels creating interoperability and monitoring the state of the radio network with TRBOnet Watch. **This helped reduce response times by 3 minutes to patients with a medical emergency.**”

## Sales and Support

For Sales and Support contact your local TRBOnet dealer or visit [www.trbonet.com](http://www.trbonet.com) for a complete list of available dealers in your area.
